11. Assessment of Flood Risk
Will the proposal increase the flood risk elsewhere?   ☐ Yes ☐ No
From 7 January 2019, all new developments of more than 1 dwelling house or where the construction area is 100 square metres or more, require Sustainable Drainage Systems (SuDS) for surface water designed and built in accordance with the Welsh Ministers' Statutory SuDS Standards. SuDS Schemes must be approved by your local authority acting in its SuDS Approving Body (SAB) role. Please contact your local authority for details of how to apply.
How will surface water be disposed of?  ✓ Sustainable drainage system  Existing water course  Soakaway  Main sewer  Pond/lake
12. Biodiversity and Geological Conservation  To assist in answering the following questions refer to the help text. The help text provides further information on when there is a reasonable likelihood that any important biodiversity or geological conservation features may be present or nearby and whether they are likely to be affected by your proposals.
Having referred to the help text, is there a reasonable likelihood of the following being affected adversely or conserved and enhanced within the application site, or on land adjacent to or near the application site?
a) Protected and priority species  Yes, on the development site Yes, on land adjacent to or near the proposed development No
b) Designated sites, important habitats or other biodiversity features  Yes, on the development site  Yes, on land adjacent to or near the proposed development  No
c) Features of geological conservation importance  Yes, on the development site  Yes, on land adjacent to or near the proposed development  No
Supporting information requirements
Where a development proposal is likely to affect features of biodiversity or geological conservation interest, you will need to submit, with the application, sufficient information and assessments to allow the local planning authority to determine the proposal.
Failure to submit all information required will result in your application being deemed invalid. It will not be considered valid until all information required by the local planning authority has been submitted.
Your local planning authority will be able to advise on the content of any assessments that may be required.
13. Foul Sewage
Please state how foul sewage is to be disposed of:  ✓ Mains Sewer  Septic Tank  Package Treatment plant  Cess Pit  Other  Unknown
Are you proposing to connect to the existing drainage system?  • Yes • No • Unknown
If Yes, please include the details of the existing system on the application drawings. Please state the plan(s)/drawing(s) references.
